Volume VIII

A White Page International Initiative

Amstrad a brainchild of OVOT Private Limited, is one of the many innovative electronic products retailed by OVOT under the air conditioner variant. The next generation air conditioners by Amstrad are inspired by passion for perfection and is packed with:

- Perfection for Quality
- Perfection for after sales Service
- Perfection for Technology

Amstrad air conditioners are packed with features that make one's life easier while providing years of value. Brought to the consumers by the experts in the industry, Amstrad air conditioner are customised specifically to meet the need and individual style requirements of a customer. Amstrad Air Conditioners are designed to provide consumers with an experience of smart heavy duty cooling even at an outside temperature of 60 degrees.

At Amstrad understanding and living up to consumer expectations are of high priority. Making the best out of the options available and innovating on an everyday basis is what the team mainly focuses upon. The Amstrad range of consumer durables: Air Conditioners, Washing Machines, Televisions are targeted at the Millennials, looking for the latest technology and rock-solid dependability.

Amstrad air conditioners are packed with features that are designed to make life easier while providing years of value. Designed with perfection and by the best in the industry, Amstrad air conditioners are customised specifically to meet the need and individual style requirements of a customer.

24

AMSTRAD
INSPIRED BY PASSION

AMSTRAD
INSPIRED BY PASSION

The air conditioners are available in both window and split formats in 1.0 ton/ 1.5 ton and 2.0 ton capacities. Amstrad air conditioners provides complete peace of mind as they come with a 10 year warranty on inverter compressor and 6 year fixed speed compressor. Its key features such as 100% Copper, Self-Cleaning, Comfort Sleep, Cooling, Eco-Mode, Metal Enclosure for PCB, Operating Voltage and hidden Display are best-in-class in the industry. These air conditioners are also WIFI enabled to make them more convenient.

Apart from air conditioners, the other designed by Amstrad include Televisions and 360-degree home laundry solution. The televisions with "goldtubeeastprime" have redefined the way television is consumed. Presently, TV's do a lot more than just providing entertainment. That's why Amstrad more immersive and life enriching. It's unique feature AMSTRASOUND ensures seamless integration of sound technology and picture harmony. Amstrad LEDs are loaded with certified A+ grade panels, HDR, DOLBY Vision Digital, WFI, WCG panel, Wide viewing angle and are available in a wide range of ultra HD TV's, Full HD TV's and smart TV's in sizes from 65 inches to 32 inches.

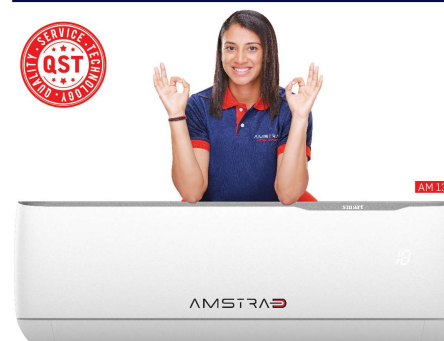

Same goes with the 360-degree laundry system, it is a complete package with Washing Machines, Cloth Dryer and Steam Irons. Amstrad Next Generation Washing Machines offer hi-tech features like Self-clean, Touch Control, Stainless Steel Tub, 3 Wash Programs, Rat Mesh, Anti Rust Body, Magic Filter, Child Lock. Amstrad also offers Front loaded, Fully Automatic, Semi-Automatic washing machines with the capacity of 6kg, 7kg, 7.6 kg, 8 kg, 8.5 kg and 10.8 kg respectively.

More than 8000 retail outlets nationwide are involved in ensuring proper availability of all Amstrad products. It is also supported by 400 authorised service providers to cater to the after-sales support of all its customers. Quite an amount of thinking and planning goes into selecting the brand ambassadors for the company. They comprise of Real Heroes who truly embody the brand philosophy of Amstrad inspired by passion. Each of them have encountered hurdles and obstacles but have emerged victorious in competition with global giants. All the brand ambassadors have won numerous accolades on many international platforms and made India proud. They have redefined the highest standards in the world of sport just like Amstrad and would represent the standards of Quality, Service and Technology in the consumer durable industry.

INDIA'S MOST PROMISING BRAND

ADVERTORIAL BUSINESS TODAY MAGAZINE
