AMSTRAD Guarantees Customer Delight

- ✓ **Checkpoint 1:** Upon registration of the AMSTRAD product, customer gets a WELCOME SMS.
- ✓ **Checkpoint 2:** After registering for a service request, customer gets an acknowledgment SMS with service request number.
- ✓ **Checkpoint 3:** Within 120 minutes of the service request a response call will be made by ASP and a SMS is sent to the customer notifying the customer of the response call that was made.

If no call was received and system falsely updated the customer can reply back with "OVOTNO" on 56563.

- ✓ **Checkpoint 4:** After the service request is completed a verification SMS is sent.

If the customer is not satisfied/happy or the call is not completed but falsely updated the customer can reply back "OVOTNO" on 56563.

India and Industry's 1st Service Process

which updates you and verifies at each milestone.

Save the Earth. Save the Future.

- Please don't dispose any Amstrad products, these can be recycled. Contact us on our website or dial a Toll free no. 1800 267 4777 and we will send someone to recycle your products.
- Amstrad uses only green refrigerant like R32 which has a Zero GWP (Global Warming Potential).
- All Amstrad PCB's use lead free soldering material and are ROHS compliant.
- Rooftop Solar Power Generation to achieve ZERO Carbon footprint 2025.
- Rainwater Harvesting and Sewage Treatment Plant.
- Planted over 500 trees at the factory campus as part of Green Initiatives "Save the Earth. Save the Future".

• Green Commitment - e catalogue
AMSTRAD believes in conserving the environment and saving the planet for the Next Generation. We need your support in our green endeavour by promoting e-catalogue to save the trees which are being cut every day.
